Regina Taylor's "Crowns" at the Goodman Theatre  
When Chicago-born Yolanda is sent down South after the death of her brother, she finds strength in the tales of the wise women who surround her – and the powerful rituals connected to their dazzling hats. This jubilant musical traces the roots of Gospel through contemporary hip hop, fusing rich storytelling with abundant "hattitude" into a stirring coming-of-age tale. Crows is a not-t-be-missed celebration of song, dance cultural history – and glamorous headwear!

Special group rates if you **RSVP** to Doris Schertz **ASAP** [dcschertz@comcast.net](mailto:dcschertz@comcast.net). We'll take the 12:40p Metra into Chicago.
