**Wednesday, February 10—Tech Savvy**

AAUW Tech Savvy is a daylong science, technology, engineering, and math (STEM) career conference designed to attract girls in sixth through ninth grade to these fields and to inform families about STEM education and careers. Lombard Area branch member Mary Ann Dion and other members of the Tech Savvy Committee will tell us more about Tech Savvy—its target audience, and how we can get involved and support it.

For more information about this year's Tech Savvy program— to be held April 16th at Oakton Community College see:

AAUW advances equity for women and girls through advocacy, education, philanthropy, and research.

AAUW Funds is the world's largest source of funding exclusively for graduate women. The Funds also work to combat sex discrimination in higher education and the workplace.

**Dare to Dream Conference Recap**

The 8th annual Dare to Dream Conference was a huge success! At this point, we are estimating 450-500 girls and moms attended all day at the College of Du Page—Saturday, Jan 31. Our keynoters, Angy Paola Rivera, and her mom, Maria Yolanda Rivera, were awesome. Angy talked about what it is like to be undocumented. I saw her documentary Friday night, and it was very moving. Having the Mac Auditorium for the first time was a real plus!

I would like to thank all the women from our branch who helped before and during the conference. Thanks to Career Panel Moderators Laurie Driscoll and Heidi Koberstine; School Panel Moderator Gale Wiedman; Career Panel Reviewers Danielle Byron, Heidi Fraser, and Kathryn Tecza; folder stuffers Wilma Bain, Karen Richardson, and Leslie Sullá; and any others I have forgotten. An awesome representation from our branch! My sincere thanks and gratitude to all.
