Learning about Ovarian Cancer

Sandra Cord will speak to us about Ovarian Cancer — its symptoms and the latest research for treatments. Sandra is from the National Ovarian Cancer Coalition, Illinois Chapter.

The meeting begins at 9am with a light breakfast followed by the program. We love it when people come early to help with set up of the tables and chairs!

December Program—A Call for Sharing Our Gifts

Hi, fellow gifted AAUWers:

I've been on vacation in New England for the last two weeks, and I think my brain is fried. Having a great time, tho.

I wanted to remind all of you to participate in some way in our December meeting, Sharing our Gifts. Bring an art, a craft, writing, music...whatever you do that you enjoy and would like to share with your AAUW friends.

We do need to know how many things to expect so that we can set up enough tables. Sandy Henry is taking reservations at 630-495-3978. I can't wait to see what everyone brings. Even if you don't have anything you wish to show off, please come be the audience. We will be doing other fun things, too, such as a silent auction being organized by Ways & Means Chair Denise Fruhauf.

I hope to see you all on December 10th...meanwhile,
Happy Thanksgiving!
