Traveling

*First Church  
of Lombard*

AAUW advances equity for women and girls through advocacy, education, philanthropy, and research.

AAUW Funds is the world's largest source of funding exclusively for graduate women. The Funds also work to combat sex discrimination in higher education and the workplace.

**Saturday, January 9 — Sharing Travel Experiences**

Armchair traveling can be nearly as fun as actually visiting a new city, or a foreign country. You'll have your chance to hear about travel opportunities at our next program Saturday, January 9th. Members of the branch will share their own personal travel experiences, and advice for women traveling alone.

Prior to the program, a light breakfast will be served at 9 am. The breakfast and program will take place at our usual location — Hatfield Hall at the First Church of Lombard. Guests are always welcome!

**Darwin Walton Featured Speaker January 17**

Peace and Justice Day returns to First Church of Lombard on Sunday, January 17th, Martin Luther King, Jr. Sunday. As we have done in the past, the entire day will focus on our church's core commitments to social justice, peace, anti-racism, and multicultural understanding. The theme this year is "ARTS & Peace and Justice." The worship service will feature area African-American singer and author Darwin Walton.

The service is *Sunday, January 17 at 10:15am*

## President's Letter

I am delighted to have good news to share with you for the New Year: We have a Chair and a Co-Chair for the 2016 Annual Used Book Sale. Barbara Kruser will be our Chair and Mary Marshall has agreed to serve as Co-Chair. Since both are professional librarians, I know that we are in good hands. I urge all of you to sign on soon for the area in which you'd like to assist (collections, sorting, sale, etc.). With all hands on deck, we can make this the easiest and most-successful sale ever.

Please make a note of upcoming program opportunities. We have not had a January meeting for some years; however, scheduling it on a Saturday morning means that it may be cold but at least it won't be dark. And we will hear from members about some trips that have probably been warmer than it will be in Lombard.

February's program is intended to get us all up to speed on AAUW's Tech Savvy program, which has been very successful here in Illinois and across the country. If you have a daughter, granddaughter, or neighbor in middle school, please invite them to come with you. They just might want to sign up for this March event that AAUW will be presenting at Oakton College.

I hope that you all had a wonderful Holiday Season and are now ready to tackle 2016 with verve and vigor. There are many things we can accomplish if we all pull together.

*Barbara Kozi*
